Town and Country Driving School, hereinafter referred to as "The Driving School", agrees to provide applicant, hereinafter, referred to as "Student", 8 hours of behind-the-wheel (BTW) training based on the Ohio Driver Training Curriculum. The Student will complete the 24 hours of required classroom training with an Ohio-approved online provider. The Student must provide a **Certificate of Completion** from an approved online driver education program to begin the eight (8) hours of behind-the-wheel (BTW) training.

State of Ohio regulations require the behind-the-wheel (BTW) training be made available six (6) months after behind-the-wheel (BTW) training begins (). Should a student be unable to attend available training sessions offered, the Driving School is relieved of the aforementioned obligation. The Driving School shall furnish a licensed instructor and a motor vehicle for instruction. The tuition for said instruction is **\$ 379.00 (8 hours behind-the-wheel (BTW) training. (Refund Policy: No Tuition Refunds)**

Any additional in-car training may be obtained at the hourly rate of \$75.00 (optional). If applicable, the Student may, for an additional fee of \$115.00 (optional) use the Driving School's vehicle to take the driving exam at a State exam Center located in _____ County, OH.

The Student is required to obtain a valid temporary driving permit and pay tuition in full prior to scheduling the practical driving portion of the training. If the student must cancel a scheduled driving appointment, cancellation must be made a minimum of **72** hours prior to the scheduled appointment. Failure to do so may result in an additional fee of **\$49.00**. The same shall apply should the Student fail to appear for, or for any reason, is not prepared to take the scheduled lesson. Should a check received as payment of tuition be returned due to insufficient funds, the Student may be removed from the driving schedule until such check is made good. An additional fee may be charged for any returned checks.

Ohio regulations require Student to complete the behind-the-wheel (BTW) training within six (6) months of the date the BTW training begins. If Student does not complete within the six (6) month period, State regulations require Student to retake the training at Student's expense.

Upon expiration of this agreement, a reinstatement fee may be charged before any further services are provided. The Driving School does not guarantee the issuance of a driver license to the Student. If training is not completed within the six (6) months, a new agreement shall be established and training shall be restarted.
